Notes

Date Run: Feb 19, 2019

- Prime contracts, as reported to the Federal Procurement Data System-Next Generation (FPDS-NG) include: acquisitions exceeding the micro-purchase threshold (including purchase card and all task/delivery orders against existing Federal contract vehicles or schedules, regardless of dollar amount).
 - Contract data includes: all active contract dollars awarded by and/or on behalf of the funding agency and reported to FPDS-NG.
 - Contract data excludes: independent purchase card activity below \$3,000; utilities; leasing; interagency agreements, unless reported by Federal agencies awarding on behalf of the AGRICULTURE, DEPARTMENT OF and electing to report to FPDS-NG; any contract activity excluded by the U.S. Small Business Administration guidelines for "Goaling" purposes; grants; cooperative agreements; and when sources of supply or service are directed by law or regulation but are excluded from acquisition reporting. See the FPDS-NG Government Users Manual Version 1.4 at: https://www.fpds.gov/downloads/Manuals/FPDS_NG_Users_Manual_V1.4.pdf
- Negotiated small business program goals and reported performance are based on total acquisition contract dollars. Contract actions and performance are presented for informational purposes.

- Small business prime and subcontract goals are negotiated every two years.
 - Small business subset prime and subcontract goals, as prescribed by law.
 - ▶ Set-Asides include: total and partial, as prescribed by law or regulation and may include sole source dollar and action amounts, when authorized.**
 - ◆ NRC negotiated small business subcontracting goal for Fiscal Years 2010 and 2011 is 40%. Other small business-related subcontracting goal categories, as prescribed by law.
 - ◆ FEDMINE, LLC is the source of data, compiled from NRC acquisition data reported to FPDS-NG.
- *See worksheet page "Small Business Exclusion" for complete discussion of SB exclusion process.
